

# BC Tech's Internship Program

Expand your team and increase diversity in tech with Internship funding from BC Tech

BC Tech's Internship Program specifically aims to help under-represented individuals gain real world experience working in the tech sector through a paid internship.

BC Tech members can provide skilled individuals with exciting, internship experiences at technology companies and in tech roles across the Province, while receiving valuable subsidies to help grow and scale their teams.

## Employers are eligible to receive:

Four month internships are eligible for subsidy funding of \$5600

## How do we get involved?
